

Floodplain Disturbance at the Landscape Scale

Landscape units (Management Areas) are ranked on a scale of 0 (least disturbed) to 1 (most disturbed):

Click on a polygon in the map to see the actual score, in the 'NRM_SCR' field.

low disturbance score (0 - 0.333)

moderate disturbance score (0.333 - 0.667)

high disturbance score (0.667 - 1.0)
